# Kyffin Williams walking map

Sir Kyffin Williams spent much of his career creating artworks that captured the landscape of his homeland, Anglesey.

Oriol Môn and Living Streets Cymru have partnered to identify three walks at locations featured in works by Kyffin.

The Llangefni walk takes in the Oriol Môn gallery which holds a significant collection of his art. Some examples are on display.

Further information is available from [orielmon.org/](http://orielmon.org/).

This project has been funded by the National Lottery Heritage Fund. Thank you to National Lottery players.

# THE WALKS

We have identified three walks of interest, taking in coastal and countryside locations.

## LLANGEFNI:

Llangefni was the birthplace of Kyffin Williams and is the home of Oriol Môn, housing the Kyffin Williams Collection.

This circular walk starts at Oriol Môn and follows the Lon Las Cefni path towards the picturesque Llyn Cefni lake. The return journey passes through The Dingle nature reserve.

## TREARDUR BAY:

Kyffin Williams attended the Trearddur House School at a young age and was repeatedly drawn here by the dramatic coastline.

There are two routes here following the Coastal Path, both starting at the main car park on Lôn Sant Ffraid.

## PWLLFANOGL:

Pwllfanogl, on the Menai Straits, was the home of Kyffin Williams for over 30 years. It was the location of his studio and he created many works featuring the local area. Pwllfanogl is a tranquil place with views of the Menai Straits, towards Britannia Bridge and Snowdonia.

There are two walks to Pwllfanogl, starting at Llanfairpwll Station or at the Menai Straits viewpoints.

## Please note:

We have taken all reasonable steps to ensure that these routes are safe and accessible, however, all outdoor activities involve a degree of risk.

Oriol Môn and Living Streets accept no responsibility for any accidents or injury resulting from following these routes.

# KYFFIN WILLIAMS

Sir Kyffin Williams (1918-2006) was born in Llangefni, Anglesey and spent his later years living and working at Pwllfanogl. He is widely regarded as one of Wales' most important 20th century artists.

Kyffin worked in various media but his most recognisable pieces are his large landscape oil paintings of rugged Welsh landscapes, including many of Anglesey. He often taught the importance of sketching and painting outdoors. His work depicts the wildness of the landscapes he visited, often capturing stormy seas and bad weather.

# WALK GUIDANCE

The routes are generally easy to walk and follow, but please use your own judgement and follow these guidelines:

- Wear suitable footwear for uneven and wet surfaces.
- Check the weather and wear suitable clothing.
- Keep to the pavement wherever possible. If you need to walk in the road, try to face oncoming traffic and walk on the outside of bends.
- Check parking restrictions and public transport timetables. For more information, visit [www.traveline.cymru](http://www.traveline.cymru)

Park at Lôn Sant Ffraid car park (postcode LL65 2YR).

## ROUTE A – North towards the prominent house at Craig-y-Mor (2.6 km/1.6 miles):

1. Walk through the car park towards the beach promenade, following it along to the right.

3. Turn left and follow the Coastal Path signs along the track towards Craig-y-Mor house.
4. Retrace your steps back to the car park.

**Route notes:** You can continue walking further westwards along the Coastal Path but there is no pavement or footpath beyond this point.

## ROUTE B – South along Ravenspoint Road (2.3 km/1.4 miles):

1. Walk through the car park towards the beach promenade, following it along to the left.
2. Turn right onto Ravenspoint Road and follow it along the coast, past the coves of Porth Diana and Porth Castell, until it turns left at the end of the headland.
3. Retrace your steps back to the car park.

**Route notes:** There are some sections where the pavement disappears along Ravenspoint Road – take care at these points. There are permissive footpaths around the headlands which offer attractive views but are very uneven underfoot and include steps.

1. Cross the road at the viewpoint car parks and follow the A5 into Llanfairpwllgwyngyll.
2. Cross the road at the primary school and continue until you reach Crossing Terrace on your left. Here, follow steps 2 to 4 from Route 1.

**Route notes:** The Coastal Path provides an alternative route but sections in this area are uneven underfoot, include steps and gates, and flooded at high tide. You can continue east along the A5 to Menai Bridge for waterfront walks.
